

All your learning activities will be uploaded to **Seesaw** and the live lessons and recordings of these will be on **Microsoft Teams**.

To get onto Teams:

- Download the **Microsoft Teams app** on your laptop, tablet or smartphone
- Log in with your school username (your first initial, a full stop, your last name and the school email address ending. Example: **h.hawley@grampian.derby.sch.uk**)
- Remember your password has a capital letter and a number. Example: **Grampian1**

Your class teacher will call on a **Tuesday** afternoon to catch up. They will talk about:

- Things you've been doing at home
- How you've found the learning
- If you are managing to get on all your accounts
- How your parents are finding the home learning

CLASS READER

Everyday at **2.15pm** we will meet on Teams as a class. This is our chance to:

- Talk to our class friends
- Talk about how we've found the learning
- Listen to our class reader

Remember, if you find something hard or need to speak to a teacher, you can message them in your class Team between 9.00am and 3.30pm
