

All your learning will be on **Microsoft Teams**. This will include some live lessons with the rest of the class, some recorded videos and some activities.

To get onto Teams:

- Download the **Microsoft Teams app** on your laptop, tablet or smartphone
- Log in with your school username (your first initial, a full stop, your last name and the school email address ending. Example: **p.carpenter@grampian.derby.sch.uk**
- Remember your password has a capital letter and a number. Example: **Grampian1**

Your class teacher will call on a **Wednesday** afternoon to catch up. They will talk about:

- Things you've been doing at home
- How you've found the learning
- If you are managing to get on all your accounts
- How your parents are finding the home learning

## CLASS READER

Everyday at **2.30pm** we will meet on Teams as a class. This is our chance to:

- Talk about how we've found the learning
- Listen to our class reader: **Frostheart**

## TIMETABLE

### Mornings

9.40am	Maths
10.40am	Writing
11.40am	Reading

### Afternoons

One afternoon a week we will have some P.E challenges from Mr Clamp and Mr Gaunt.

The other afternoons will be mini projects with a different theme each week! We'll be looking for some impressive examples to show to everyone!

2:30pm      Class Reader

Remember, if you find something hard or need to speak to a teacher, you can message them in your class Team between 9.00am and 3.30pm
