

YEAR 6 REMOTE LEARNING PLAN

All your learning will be on **Microsoft Teams**. This will include some live lessons with the rest of the class, some recorded videos and some activities.

To get onto Teams:

- Download the **Microsoft Teams app** on your laptop, tablet or smartphone
- Log in with your school username (your first initial, a full stop, your last name and the school email address ending. Example:
p.carpenter@grampian.derby.sch.uk
- Remember your password has a capital letter and a number. Example:
Grampian1

TIMETABLE

Mornings

| | |
|---------|---------|
| 9.15am | Reading |
| 10.15am | Writing |
| 11.15am | Maths |

Afternoons

For your afternoons, there will be a project ready for you to complete each week from different teachers throughout the school. We'll be looking for some impressive examples to show to them.

We will also have 1 afternoon of PE challenges each week set by Mr Gaunt and Mr Clamp.

PHONE CALLS

Your class teacher will call on a **Tuesday** afternoon to catch up. They will talk about:

- Things you've been doing at home
- How you've found the learning
- If you are managing to get on all your accounts
- How you parents are finding the home learning

CLASS READER

Everyday at **2.30pm** we will meet on Teams as a class. This is our chance to:

- Talk to our class friends
- Talk about how we've found the learning
- Listen to our class reader: **The Time Hunters**

Remember, if you find something hard or need to speak to a teacher, you can message them in your class Team between 9.00am and 3.30pm
