Dear Parents and Carers,

Confirmation of attendance of eligible children, Summer Term 2020

You may be aware that the government has now asked schools to try to enable as many children as possible to spend some time in school before the end of this term, where it is safe and feasible for them to do so.

To help us find out how we might be able to manage this at Grampian Primary Academy, we would be grateful if the following parents, whose children are currently eligible for a place, could please confirm whether they intend to send their child back to school before the end of term:

- Parents who are key workers
- Parents of children in Reception

If you fall into one of these groups, please complete the slip below. This should be returned via email GPA@grampian.derby.sch.uk by Wednesday 24th June 2020.

Please note that if you decide not to take up the place your child has been offered at this stage, this decision will apply to the remainder of the Summer Term and your child's place will be offered to another family.

Thank you for your continued support and understanding at this challenging time.
