

Grampian Primary Academy

How to set up for Virtual Learning Safely

Be safe

- Only use your school password.
- Never share your password,
- Tell an adult if anything worries you.

Adult Support

- We need to see a parent at the start of the lesson.
- They must stay in the same room as you for the rest of the lesson.

Check your background

- Make sure there is no personal information in your background.
- If you're not sure, you can turn your camera off.

Be on time

- Your teacher has to start the meeting.
- If you're early, it will ask you to wait.
- Be ready and make sure you have plenty of charge.

Find a quiet spot

- Find somewhere you can concentrate.
- Headphones can help you hear clearly and avoid distraction.

What to wear?

- Make sure your clothes are appropriate.
- It doesn't have to be school uniform.
- Definitely no pyjamas!
