

We have had such a fantastic term of learning in Class 2! We have had lots of fun learning about the Victorians, we have become fantastic writers and readers and we have even been Scientists and conducted our very own experiment looking at what plants need to grow and survive!

Our Curriculum

After Christmas, we will be continuing with our core curriculum lessons of Spelling, Reading, Writing and Maths; and in the afternoons, we will continue to explore different wider curriculum subjects such as Science, P.E. and topic subjects including History, Geography and Art.

This term our topic is 'Ready... Steady...Go!'. Within this topic, we will be learning about different explorers from History and the modes of transport they used, we will then be using this learning to create a model of Amelia Earhart's plane and a piece of artwork based on the moon. In addition to this, in Geography, we are going to be learning all about the different continents and oceans of the world!

Reading Routine Reminder

Class Two have continued to improve their Reading over the Autumn Term both in and out of school. Please continue to read with your child a minimum of **3 times** a week as this will greater support their development within Reading. To further support their learning, ask you child questions whilst they are reading about what has happened, what they think might happen etc. It is your child's responsibility to change their Reading Book once it has finished, to aid them in this and allow for Miss Gerver and Mrs Butler to hear your child read in school, please remind your child to bring their Reading Book and Reading Record to school daily.
