14th December 2020

Dear Parents/Carers

Important – Household members who are self-isolating

If any member of your household has been asked to self-isolate, they **must not** come on to the school grounds for any reason. This also applies to any older siblings who attend secondary school who have been advised by their schools to self-isolate due to someone in their school bubble testing positive for coronavirus.

Updated Covid 19 Self-Isolation Guidance

Following the Government Chief Medical Officer's announcement late on Friday, we write to confirm that should a member of your household have been in close contact of someone who has tested positive for COVID-19, the self-isolation period has been reduced from 14 days to 10 days. The 10-day rule starts from today and will apply to anyone currently self-isolating as well as any individuals told to self-isolate at this time.

Covid Contact Tracing During the Christmas Break

As communicated in our letter last week, should a pupil, test positive for coronavirus (COVID-19), in the first 6 days after teaching ends, having developed symptoms within 48 hours of being in school, parents must contact us via our out of hours email address covid@grampian.derby.sch.uk

We will then assist Public Health England in identifying any close contacts and advising individuals to self-isolate, as the individual may have been infectious whilst in school. School will contact parents via our text service and make information available via the school website.

Our phone lines or social media accounts will not be answered during this time so parents and carers must contact us via the email address above.

Inset Day Reminder

A reminder that school will be closed this Friday (18th December) for INSET. Pupils will return to school on Monday 4th January 2021.

Thank you for your support in helping us to keep everyone safe.

Yours sincerely

Mrs M Murfin
Headteacher
