

We have been busy getting the classroom ready for when the children all return in September. Just like in Reception, children will have access to a 'Continuous Provision'. This means that children will be able to learn through their play whilst also being given the opportunity to work in a guided group with a teacher. You will see from the pictures that all the areas of learning from Reception are coming through with the children.

## Who's Who?

Class One Teaching Team

We are very lucky to have lots of different faces helping the children to learn and progress next year. The class will be taught by: Mrs Brooks, Miss Hogan, Mrs Schofield and Mrs Smith.

## Bright Lights Big City

When the children return, we are going to be learning all about how London has changed. During this topic we will learn about the Great Fire of London and the Plague. We will use our map skills to find London and talk about how London is different to where we live.

## Reading, Writing and Maths

To support the children to continue to make progress with their learning, they will be set weekly learning challenges.

All the children will be given a log in to **Numblots** and **Spelling Shed** when they return in September. These are online games that will support the children in learning number facts and their weekly spelling lists.

Children will also be asked to read their Phonics book **three times a week**. We have set up a reading reward chart to celebrate all of the children who read three times a week at home.

Children will also be given the opportunity to select a library book. This is a book they can read and enjoy with an adult at home.

Children will also be given a '**Seesaw**' login. This is similar to Tapestry and will give you the opportunity to see your child's learning during their 'Getting Busy' time and other challenges they have been achieving in school.

## P.E. Routines

Class 1's P.E day is on a **Friday**. On a **Friday**, children in class 1 can come to school wearing their P.E kit. We recommend wearing a plain black tracksuit for P.E as most of our P.E sessions will be outside.

In our first half-term, our P.E focus is gymnastics. The children will learn how to move with control and different shapes they can make using their bodies.
