Reading

In Class 5, you will get exclusive access to Mrs Barker's library! It is crammed full of brilliant books, so I'm sure we will find something you'll enjoy. We will be reading 15 minutes a day, 5 times a week at home and will share our favourite books in class – we can't wait to hear which books you recommend!

Our Topic – I Wonder Why...?

In Autumn Term, we will be delving into the world of Ancient Greece. A brilliant history topic where we will discover what the Ancient Greeks achieved and how this has shaped our world today. They are known for their architecture, arts, maths, science and religion, so there is plenty for us to discover about them!

Our P.E day will be **Wednesday!**

You'll come to school dressed in your P.E kit on a Wednesday so that we can enjoy more of our P.E lesson without needing to get changed at school.
