

Grampian Primary Academy's EASTER EGGSTRAVAGANZA

Tuesday 30th March 2021

We are inviting all our families to design, create and make an Easter nest or Easter basket at home to bring along to our GPA EGGstravaganza

Everyone is invited to create an Easter basket or Easter nest at home and bring it to school with them on Tuesday 30th March 2021. Just as we did in October when we held the pumpkin festival, the nests and baskets will not come into the school building so that we remain covid-safe. When the children arrive at school with their fantastic masterpieces, they will be asked to assemble them around the edge of each playground. When all the EGGcellent creations are assembled, each class will be able to go and visit the EGGstravaganza. There will be small Easter egg prizes awarded to the best designs in each class

Please note:

- The Easter creations will be assembled outside regardless of the weather so they need to be rain-proof*
- The children must be able to assemble (and carry) them independently. Parents and carers will not be able to help the children as our normal routines will still apply*

Diary Dates:

- Monday 29th & Tuesday 30th March** - parent teacher meetings (book via SchoolCloud)
- Tuesday 30th March** - last day for pupils
- Wednesday 31st March & Thursday 1st April** - school closed to all pupils for INSET
- Monday 19th April** - all pupils return
- Monday 26th April** - individual pupil photographs

Yours Sincerely,

Mrs. Murfin
Headteacher
