9th March 2021

Dear Parents/Carers

Covid-19 Rapid Lateral Flow Tests for the households and families of Primary School Children

From 1st March the Government have made home testing kits available to households and families of primary school children. This is a commitment from the Government to reduce the spread of coronavirus and will help to keep school children in school and everyone safe.

If you are a member of a household, childcare bubble or support bubble of a pupil, you can collect two packs of home test kits at a local collection point. Each pack contains seven tests and Derby City Council have set up collection points where these can be collected from (see below).

If a household member wishes to access a test from a collection point, you do not need to have made an appointment and can just turn up. However you should not visit a collection point outside of opening hours and in the case of Derby it should be **after 1.30pm**. If you turn up to collect kits in the morning you will be turned away.

For further information on:-

- Where to find a local site to collect tests
- Where to find a local site to be tested at
- To order home test kits

Please visit <https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests> for further information.

Yours sincerely

Mrs Melanie Murfin
Headteacher
