Dear Parents/Carers,

We hope you have all managed to adjust to the new way of life at home. At school, we are looking at all the positives this can bring like time together as a family.

We have been updating our Facebook page with useful links and ideas to support you and your children with their home learning journey. Below is a list of these website and links that have been shared.

Seesaw and Tapestry

All the children in EYFS have a Tapestry log in. The teachers have rung most parents for an email address to give you access to this. If you do not have access, please ring the school office and leave your email address with them.

All the children in Year 1 and Year 2 have a 'Seesaw' account. The teachers will be adding daily challenges to the Tapestry and Seesaw accounts for your children to do at home.

Joe Wicks Daily Workout

Joe Wicks is holding a daily P.E lesson for all members of the family to take part in. This can be found on his YouTube channel. The link for this is: www.youtube.com/user/thebodycoach1

Bear Grylls home activities

Bear Grylls has also posted a list of 100 activities you can do from the comfort of your home. These activities will allow your children to practice a range of different skills that they may have learnt in school and some may be brand new to them. The link for this is:

Bug Club Books

All children in Reception, Year 1 and Year 2 have a Phonics Bug account. Here your children can read the books they would normally bring home online. Grab and Go Lunch

Please remember that the school are offering a 'Grab-and-Go' lunch to all families and all children and adults that live in the home. Because we have received so many donations to this, we are able to offer these meals free of charge at the moment. Please take us up on this offer by emailing schoolmeals@grampian.derby.sch.uk

Although the school is closed, there is someone in the office everyday. Please call the office at any point should you need any help or advice while the children are off school.

We look forward to seeing you all back at school. We will keep you all updated with what the government are advising and when we can welcome you all back with big open arms.

Kind Regards,

Mrs Brooks
