National 'Outstanding Winner'
21st Century Learning Alliance Award

Friday 27th November 2020

Dear Parents and Carers

The Reception class have been selected to take part in a NELI trial funded by the EEF (Education Endowment Fund).

NELI (Nuffield Early Literacy Intervention) is a speech and language programme that supports children in making rapid progress through targeted interventions. Speech and language is a crucial part of development for children in the Early Years and is the foundation to their development and learning in reading and writing.

The data from this study will be published as part of the research project. **No names or personal details will be published, just the scores the children gain in the pre and post assessment.** If you would not like your child's data to be published in the research study, please complete and return the attached form by **Wednesday 2nd December 2020**. If you are happy for your child's score to be involved in the research project you **do not** need to return the slip.

We are really looking forward to working with the EEF and implementing the NELI programme in our school to support the children's speech and language development.

Kind Regards,

Mrs Brooks Mrs Wilson

Mrs Brooks and Mrs Wilson

Please return this slip no later than the 2nd December if you DO NOT wish your child's data to be involved in the research project.

I wish to remove my child's score from the research project.

Name of child: _____

Signature: _____ Date: _____
