

News from Grampian's Early Years Foundation Stage Unit!

We have officially named our Early Years Classes! Nursery have become the Robins and Reception have become the Wrens! The children are enjoying learning about the birds that their classes are named after.

The children have all settled well into both Wrens and Robins, with more children due to start in the Robins in the next couple of weeks.

Labelling - please ensure that **everything** is labelled with your child's name, including all clothing, shoes, coats, hats and gloves. If items are not labelled then it makes it very difficult to return them to the correct child.

PE - we will not be starting PE this term so please do not worry about providing a PE kit. We will write to you prior to PE starting, outlining what will need to be provided.

Wellies - as the weather will be getting colder, please provide your child with a pair of labelled wellies - these can stay at school. Forest school will be starting later in the term - Mrs. Favell will write to you when it is your child's turn.

School Dinners - your child's school dinner needs to be pre-ordered through the School Money app. You should have received a text with your log-in details for this. When ordering, you need to go to the check-out on the app for it to be confirmed. Wrens (Reception) will receive free school dinners, Nursery (Robins) will be directed to pay. Please phone the school office if you have any problems with this.

We are going to be talking all about our families, our homes and things that are special to us in both the Wrens and Robins classes. Please can you send in a **named family photo** which we can copy for the classroom and then return to you.
